SRIRACHA SEASONING

Sriracha is in high demand and now with Durkee® Sriracha Seasoning, operators can bring the flavor to more applications in a new and exciting way. The blend is a deep red color with a texture comparable to seasoning salt. The delicious flavor is spicy hot with well- balanced sweet, salty and garlic notes.

USES: Durkee® Sriracha seasoning gives a little kick to French fries, fried appetizers and vegetables. Try on proteins: grilled fish, chicken, steak and shrimp. Add a dash to macaroni and cheese, Alfredo sauces, scrambled eggs and breakfast casseroles. Mix into dips and sauces like hummus, ranch dressing, mayo, ketchup and sour cream. The possibilities are endless.
